## INTERPRETING ETHIOPIA: OBSERVATIONS OF FIVE DECADES

DOWNLOAD

Tsehai Publishers, United States, 2014. Paperback. Book Condition: New. 222 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.About the Book: In this remarkable collection, internationally renowned Ethiopianist Donald Levine has assembled interpretive vignettes-some never before published-spanning more than half a century. Thanks to his unique experiences living among peasants of Northern Shoa, visiting historic monasteries, and enjoying personal connections with modernizing Ethiopians from all political viewpoints, these essays offer acute glimpses into everything from local life-worlds to historic perspectives spanning two millennia. Catching diverse ways in which Ethiopians construct their own narratives is one of the distinctive features of this work. This includes stunning interpretations of Ethiopia's national epic, Kibre Negest; different ways in which Oromos construct their own narratives; and the clash of perspectives among protagonists in the 2005 political crisis, between the ruling party and the main opposition party at that time. The book also includes important political documents such as Levine's first-hand account of the December 1960 coup; his 1976 testimony for the U.S. Senate Subcommittee on Africa concerning the Derg; and his thoughtful plea regarding the 1993 Eritrean referendum. The book climaxes with broad interpretive sketches, including the renowned essay on Ethiopia and Japan in comparative civilizational perspective, and Levine's revised interpretation of the evolution of Ethiopia as a historic multi-ethnic society. In addition to historic and cultural forays, *Interpreting Ethiopia* includes a number of chapters devoted to current domestic challenges, such as the problem of chronic hunger and overpopulation; the problems posed by the exponential growth of an Ethiopian Diaspora after 1974; and the obstacles and opportunities faced by Ethiopians in their effort to create a national public. Reviews: Professor Levine's essays savor like a fine cup of Ethiopian coffee. It is a blend of the...
