Guardian Faber Publishing. Paperback. Book Condition: new. BRAND NEW, WikiLeaks: Inside Julian Assange's War on Secrecy (Media tie-in), The Guardian, David Leigh, Luke Harding, New and Updated edition - It was the biggest leak in history. WikiLeaks infuriated the world's greatest superpower, embarrassed the British royal family and helped cause a revolution in North Africa. The man behind it was Julian Assange, one of the strangest figures ever to become a worldwide celebrity. Internet messiah or cyber-terrorist? Information freedom fighter or sex criminal? In this newly updated edition, award-winning Guardian journalists David Leigh and Luke Harding follow the story as it takes on ever-weirder twists and turns. In London, Assange went to ground in the back bedroom of the Ecuadorian embassy. Meanwhile, in a courtroom near Washington, the fate of the US army whistleblower Bradley Manning hung in the balance. And in Hawaii, a young man named Edward Snowden, working as a contractor for the National Security Agency, was about to take WikiLeaks into even darker territory. "A rip-roaring narrative of secrets, tantrums, technological wizardry, personal betrayal and vengeance". (Irish Independent). "Excellent". (Sunday Times). "Enjoyable. The WikiLeaks founder comes across as a shadowy, manipulative character with the habits of a tramp and the brain of a chess grandmaster". (Spectator). "Superbly narrated .unputdownable". (Observer).
