Geoff Green, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book explores the intriguing world of the names of British birds. The interesting facts range from a description of their breeding behaviour, migratory feats, feeding habits, song, physiology and detail of their often extraordinary senses. Notes are given of the relative increase and decrease in bird numbers. Given our very long and intimate connection with birds, inevitably there are many myths, tales and folklore involving them. Many of these are recounted...
