*A fresh eBook with an all new standpoint. It is actually written in simple words and phrases instead of difficult to understand. You won't sense monotony at any moment of your own time (that's what catalogs are for relating to if you question me).*

Their one night together is explosive and unexpected, but when he has to suddenly leave without taking her phone number, Nic resigns herself to never seeing him again.What will it take to trust and submit to his every desire?Matt Montgomery is one of Seattle s finest. He works hard, loves and protects his family fiercely, and is loyal almost to a fault. And he has a penchant for bondage. When he meets Nic at a fetish festival, the small, beautiful woman catches his eye, drawing him to her. His one night with her was everything he s ever looked for in a partner but is cut short because of a family emergency. Even before he sees her again weeks later, he knows he ll never get her out of his system. And he ll do whatever it takes to make her his.
