THE ROLE AND FUNCTION OF REPENTANCE IN LUKE-ACTS

DOWNLOAD

Society of Biblical Literature. Paperback. Book Condition: New. Paperback. 250 pages. Dimensions: 9.0in. x 6.4in. x 0.6in. This volume explores the central function of the concept of repentance in the narrative structure and implied social world of the Gospel of Luke and the Acts of the Apostles, and examines how repentance is presented as part of the divine plan. In Luke-Acts, everyone is eligible for membership in the community of Gods people. Such inclusivity requires a radical change in thinking on the part of many in the emerging religious community of Luke-Acts. Repentance in Luke-Acts represents this fundamental change in thinking that enables diverse individuals to receive the salvation of God and to live together as a community of Gods people. This book sets the literary and theological motifs of the New Testament narrative within the social realities of the Greco-Roman world, including varieties of Judaism. It elaborates ways the implied audience would have thought about changing ones mind, attitudes and behaviour as a step in the progress toward virtue. The book aims to provide a synthesis and analysis of the usage of repent and repentance in Classical, Hellenistic, Hellenistic Jewish and early Christian literature. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
