Reviews

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Lupe Connelly)

THE END OF THE BOOK

Louisiana State University Press, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. The End of the Book is the story of an aspiring contemporary novelist who may or may not be writing a sequel to Sherwood Anderson's classic Winesburg, Ohio. Adam Clary works in Chicago for a famous internet company on a massive project to digitize the world's books, but secretly he hates his job and wishes to be a writer at a time when the book as physical object and book culture itself have never been more threatened. Counterpointing Adam's story is that of George Willard, the young protagonist of Anderson's book, who arrives in Chicago around 1900 when it was the fastest-growing city in American history. Through alternating chapters, we follow George's travails, including his marriage to the wealthy daughter of his boss, his affair with his hometown sweetheart, his artistic crisis, breakdown and flight, and along the way we see the echoes and intersections between his life and Adam's as they struggle in two similar Americas through two similar times in the life of the book.
