Reviews

A really wonderful book with lucid and perfect reasons. This can be for all who statte there was not a worth reading through. You are going to like how the author write this book.

(Dr. Grady Jacobi DDS)

BESTFRIEND

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 130 pages. Dimensions: 8.0in. x 5.0in. x 0.3in. Twelve-year-old Nyshell has more than her share of challenges, but that's why she received an implant. By having built-in tutors and other tools piped into her brain, Nyshell and those like her have a shot at succeeding alongside the wealthy kids who easily afford such enhancements. Normally, parents control the installation of implant apps, but in a near-future society still much like our own, parenting can slip. Things happen that shouldn't. And when all a girl wants is to have one friend, even if that friend exists only inside her head, that desire may change the lives of millions. . . if it doesn't destroy her first. This item ships from La Vergne, TN. Paperback.
