AS THE FELLOWS FLY

Brand New Book ***** Print on Demand *****.As The Fellows Fly: I read this book aloud with my boyfriend, and it was so beautiful and gripping. I still don't know how to put how I feel about it into words, except to say that it makes me feel many things at once-laughter blended with heartbreak and endurance. The style of writing chosen is so elegantly minimalist that it is a quick read and gives the reader just enough details to still feel it all. It was perfect for a novella, and the brevity made every word used all the more important. I felt like I was inside the story and slowly learning the claustrophobia and tension within Fala as she tries to keep everything together. I can't wait to read what comes next in Fala's life! All the best! -Sophia Ege Who taught people to throw away the thing they most feared losing? -Richard Powers. Dedicated to the Chiapas Visionaries.
