What generally means a step into adulthood instead opens its way to a terrifying truth about not only her family, but herself. She comes from a long line of vampire hunters, and her real dad wants her to carry on the family quest. At the same time, she is falling for a new boy at school who has his own secret. He is a vampire. Alexis is forced to make a decision from which there is no turning back. - Will she deny this newly discovered heritage, or embrace it. I really think Poe did that here! -Cecilia, Rather Barefoot than Bookless.
