iUniverse, United States, 2008. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.She is still the exotic creature that swam across the seven seas to find me--wistful, demanding, and playful. There were piles of cards: birthdays, anniversaries, Valentine s, Merry Christmas, and Happy New Year--all wrapped up neatly with ribbons. There were dried flowers, old perfume bottles, costume jewelry, hats, gloves, old lace peignoirs, and stuff that I didn t even recognize. Your kiss lands on her cheek as she rearranges herself on her bed--the beautiful brass bed where you both spent such happy times together.Vivid images appear and go running by your mind faster than the speed of light. Your legs weigh a ton. Another time maybe, she says looking at the patch of blue summer sky high above her window, in another life, my love, she whispers to the spruce tree outside. Peek a Boo, Daddy, she d say, hiding herself behind my couch while I read the daily newspaper. I can already hear the pitter-patter of her tiny feet. My friend gets up to leave. I walk him to the door. He looks much taller than I remember him and very handsome--much more handsome than any knight I ve ever known.
