Reviews

Most of these ebook is the perfect publication offered. Sure, it really is play, still an interesting and amazing literature. You wont truly feel monotony at whenever you want of your time (that's what catalogs are for about in the event you check with me).

(Roosevelt Rohan)

LEARN COCOS2D GAME DEVELOPMENT WITH IOS 5

aPress, United States, 2011. Paperback. Book Condition: New. 2011 ed.. 234 x 188 mm. Language: English . Brand New Book ***** Print on Demand *****.Create compelling 2D games with Learn cocos2d Game Development with iOS 5. This book shows you how to use the powerful cocos2d game engine to develop games for iPhone and iPad with tilemaps, virtual joypads, Game Center, and more. It teaches you: * The process and best practices of mobile game development, including sprite batching, texture atlases, parallax scrolling, touch and accelerometer input. * How to enhance your games using the Box2D and Chipmunk physics engines and other cocos2d-related tools and libraries. * How to add UIKit views to cocos2d and how to add cocos2d to UIKit apps. * The ins and outs of the Kobold2D development environment for cocos2d and its preconfigured libraries, including cocos3d and Lua. Best of all, Learn cocos2d Game Development with iOS 5 will have you making games right from the very start. It guides you step-by-step through the creation of sample games. These fun examples are modeled after popular App Store games and teach you key concepts of the cocos2d game engine and relevant tools like TexturePacker (texture atlas), PhysicsEditor (physics collision shapes), Particle Designer (particle effects), Glyph Designer (bitmap fonts), and others. This book offers a rock-solid introduction to creating games made entirely with cocos2d and little or no iOS 5 SDK and OpenGL code. It also details alternative implementations, identifies the best free and commercial tools for cocos2d game development, features coverage of the author s improved cocos2d game engine (Kobold2D), and even helps you enhance your game s marketability on the App Store.
