Brand New Book ***** Print on Demand *****.Gina Gale has been obsessed with the long-lost Mevoyan culture for years. She s devoted her life to the study of their culture, their rituals, and the Ruby of Ages, a legendary jewel said to have mystic powers. Amidst the thrill of new ruins discovered in South America, new clues emerge about the Ruby s location, setting her off on a race with her rag-tag group of friends against her fame-hungry rival, Kaufman, and his hired team of experts. It seems that all her dreams are coming true when she finds herself in the gem s temple, but deadly traps throughout the underground cave system turn that dream into more of a nightmare. And mysterious disappearances make it clear that their expedition has been infiltrated by a shape-shifting monster she had thought extinct. One of her companions is a killer in disguise. This naive scholar is going to have to do whatever it takes to make it out alive.
