FACEBOOK FOR THE 2ND AMERICAN REVOLUTION: AMERICA 2.0

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is intended to kick off the 2nd American Revolution by creating a Facebook-Type of Social Media web site wherein every concerned American citizen sick and tired of the two-party monopoly of ideas and wanting to try something completely different - REAL DEMOCRACY unfettered and uncensored or controlled by any individual, party or corporation. With a successful Facebook-style experience where everyone can exchange political ideas and support - we can create a new kind of government fit for the modern era, abandoning the one we have now based on horse-and-buggy technology created for us by people who were perplexed by problems of a much simpler age and not even close to the perplexity of the problems that we face today such as Global Warming, Terrorism at our doorstep, over-spending, government spying on us, unfair and unscrupulous tax laws, lobbyists bribing our politicians and thus robbing us of our freedoms. I could go on and on. This book explains why it is time to PUT REAL SOLUTIONS ON THE NATIONAL BALLOT for the electorate to decide, not the crooks in Washington who know how to wear the best suits and ties and not much else. The 2nd American Revolution will amend the plan put forth by our founding fathers who gave us the beginnings of a democracy but who were too timid to give us the WHOLE ENCHILADA. They couldn t even dream about a future where people can chat with one another all over the world, exchanging ideas, money, even transporting goods and services to each other without any help from any other sources. We show how a Facebook type of electronic meeting place can replace the...
