If you are not happy at your job, if you do not like it best of anything in the world, if you don t feel a positive joy in getting it done just as well as you can, then in God s name get out of it and into something By ONE of THEM NUMBER SIX be fairly clear, else; something you can do without feeling that you hate it and yourself. Then again, if your work is not the kind of work that makes you bring its own spirit into everything you do in your social relations, drop it like a hot potato. Brass Tacks Shall I elucidate? Does this stuff read as if it were serious and is that a capital sin? Very well, I shall get down to cases. What is the matter with piano tuning as a job? Why is it that the young fellows who come into it are not uncommonly just a bit below the usual level? Why is it that so few tuners are well known in their communities? Why is it that still fewer are known as prominent men when other citizens who earn no more in the course of a year are honored by a whole community and regarded as men without whose presence the community would find it hard to progress as it is progressing? Why is it. in a word, that a true and splendid work like tuning, a work...
