Both teachers and pupils are discouraged, because they do not understand that this is a part of the learning process. Suddenly and sometimes without premonition, the difficulties clear, and the learner leaps forward. Could anything be more illuminating than this when you think of the slow child who wakes up about the middle of the year and begins to read as well as anyone in the class Just two more quotations and I am sure you who have not had the pleasure, will read more for yourselves at the earliest opportunity. Ability to strengthen the foundation knowledge, and at the same time to avoid the equally grave danger of monotony is one test of a good teacher. And again, The loose hold on the first principles of the subject was sufficient to bring the first advance, but now the...
