Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The term sociopath is often used to describe a psychopath; even in medical circles these two terms are regularly interchanged. Although they are both types of antisocial personality disorders and share many characteristics, there are also some key differences. Whether you have thought about it before or not, it is highly likely that someone you know has sociopathic tendencies and can be defined as a sociopath. It is exceptionally difficult to get a doctor to confirm a diagnosis of sociopathy as this can lead to stereotyping and even prejudice; on top of this it is highly unlikely that a true sociopath will see anything wrong with themselves and seek medical help.
