Atlantic Publishing Co. Paperback. Book Condition: new. BRAND NEW, The Complete Guide to Growing Your Own Fruits and Berries: Everything You Need to Know Explained Simply, Karen Szklany Gault, There is nothing better than a freshly picked apple or raspberry from your own backyard and yet many home owners lack the resources or the necessary gardening acumen to effectively plant and harvest their own fruit. While some fruits, like apples, grow in almost any climate (as many as 35 of 50 states providing perfect conditions), others like blackberries and blueberries are incredibly hard to grow without the right soil, weather, and care. This book will guide every man and woman out there who has ever wanted to grow their own crop of fruits and berries or who has tried and failed. From the simplest fruit tree to the most fickle berry bush, this book will be your one and only guide. You will learn how to select your fruits and berries of choice, using a combination of climate information that matches the best possible bushes, trees, and vines to your home and how these plants will grow there. You will learn how to maintain your plants in your climate with the right sunlight, location, soil, and fertiliser and what each different kind of fruit or berry needs to be most effective. You will learn the planting conditions and the maintenance that each fruit or berry needs, from pruning and picking, to maintaining a pest free environment around your plants. Starting with the most basic aspects of your planting sequence, you will learn everything possibly needed to grow and have your very own fruits and berries every year. Additionally, the top gardeners around have contributed, through interviews, their own tips and tricks to effectively growing and maintaining the lives of your...
