Written by the New York Times#1 bestselling author team Richard and Linda Eyre, Life in Full creates a seven-question blueprint for how to spend the next twenty years living the life you have always wanted and enjoying the life-fulfillment you deserve. Creating a proactive plan for the next twenty years is both possible and practical, and Life in Full shows you how! Ask yourself: How long do I want to live? Who do I want to live with? How do I want to look and feel? How much money will I need? What do I want to keep doing, and what do I want to start doing? What values do I believe in, and what kind of person do I want to be? What type of legacy do I want to leave behind? Using these seven questions and focusing on perspective, planning, protecting, and posterity, the Eyres guide you through a process of life understanding that will prepare you for living the next twenty to thirty years in a way that will bring you the most happiness and fulfillment possible.
