## THE POSTMORTAL

Penguin Books, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service!  
Summary: "Unnerving. . . . An absorbing picture of dawning apocalypse. . . . A disturbing portrait of a society convinced it's close to utopia when a cure for aging is invented. Unsurprisingly, it doesn't take long for that seeming utopia to dissolve into a planet-overstressed from overpopulation, food and fuel shortages, and general lawlessness-going into systemic failure. . . . The Postmortal is a suitably chilling entry into the "it's-the-end-of-the-world" canon." - The Austin Chronicle "Magary's vision of future technology and science is eerily realistic. . . . By the time you finish, you'll want to hold your loved ones close and stockpile bottles of water. If all else fails, you could potentially make a living selling them a few decades from now." - The New York Press "An exciting page turner. . . . Drew Magary is an excellent writer. This is his first novel but he tells the story masterfully. . . . The most frightening thing about The Postmortal is that this could really happen-it's not a supernatural story, but it's even more terrifying than zombie apocalypse." -Mark Frauenfelder, BoingBoing "It's nearly impossible not to read this smart speculative novel and imagine how your own little chunk of the world might fall to pieces given the chance to live forever." - Booklist "The first novel from a popular sports blogger and humorist puts a darkly comic spin on a science fiction premise and hits the sweet spot between Margaret Atwood and Kurt Vonnegut. . . . [Magary] understands that satire is most effective when it gives the real world a gently absurd nudge, then lets its characters react much as we ourselves might under the same circumstances." -Ron Hogan, Shelf...
