If you have a roof over your head, have enough to pay your bills, and can put food on the table for yourself, you can raise a child for the first year of their life for less than 84 dollars a month. I made this book for all of my friends about to hit their thirties that swear they cant afford to have children. Yes you can. This book covers food, diapers, clothes, hygiene items, furniture, medical, child care, toys, and more. Everything has been calculated in 2014 dollars using prices from the internet.
