Reviews

It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Russell House Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, Not so different: Teenage Attitudes Across a Decade of Change in Northern Ireland, Dirk Schubotz, Paula Devine, Young people should be at the forefront of global change and innovation. Empowered, they can be key agents for development and peace. If, however, they are left on society's margins, all of us will be impoverished. Kofi Annan Based on data collected by Young Life and Times - the longest running annual cross-sectional attitude survey among any of the UK or Ireland!AZs young people C this book is a rich resource for anyone interested in teenagers!AZ attitudes and viewpoints over the last decade. It builds on the editors!AZ previous publication Young people in post-conflict Northern Ireland, (RHP, 2008) but focuses mostly on data collected since then. While the young people who replied to the survey are likely to have come across some form of sectarianism, they have no active memory of the worst conflict-related atrocities. Thus, they can be regarded as the first post-conflict generation. But, whilst growing up in a society coming out of conflict sets adolescents from Northern Ireland apart from their counterparts in other parts of the UK and Ireland, a 16 year-old in Belfast also deals with the same issues that teenagers face elsewhere. They experience negativity in the media and in their neighbourhoods and are much more associated C either as perpetrators or victims C with substance misuse, violence, promiscuity, risk-taking and anti-social behaviour than with the positive contribution they make to society, for example as volunteers, informal carers, or as creative artists. Featuring contributions from academics and social policy makers, all nationally and internationally recognised experts in their fields, it explores: !n perceptions of, and attitudes to, community relations !n rights and democratic participation, specifically the extent...
