

## Nuclear Weapons and the Blue-Eyed People: A Sociobiological Analysis

By Richard R Peppe

Richard Peppe DBA Glassworks Publishing, United States, 2004. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The blue-eyed people have been able to take over three continents in about 1500 hundred years and have maintained an imperial type presence in much of the world for over four hundred years because they have had physical, social, behavioral and economic advantages over most of their neighbors. Nuclear weapons threaten the ability of the blonds to continue that behavior because nuclear weapons are behaviorally different from the weaponry that preceded the nuclear age. From the club to the carrier fleet, the blonds physical and behavioral advantages have produced a resource base that was much larger than their enemies economies. Nuclear weapons dramatically alter the equation. North Korea demonstrates the nuclear reality. North Korea is a small peasant society that may soon be able to destroy large segments of America. Nuclear weapons do not underline and extend the economic advantages that the United States has long enjoyed: Nuclear weapons neutralize those advantages. The reason that China and North Korea have become long-term threats for blue-eyed America, is that the Koreans and the Chinese can...
