The purpose of Victory in the Workplace is to help change people s lives by changing their workplace experience. Through conferences, books and special meetings, many people begin to see their job in a whole new light. These seminars take place in businesses, university classrooms, Bible Schools or churches. The teachings are well-received, sometimes life changing. In 1993, we started in America. Since 1995, we have expanded the ministry to these former communist countries in Eastern Europe: Belarus, Ukraine, Russia, Lithuania, Poland, and the Czech Republic.
