Gryphon House,U.S. Paperback. Book Condition: new. BRAND NEW, How Many Ways Can You Make Five?: A Parent's Guide to Exploring Math with Children's Books, Sally Anderson, Use your child's favourite books to explore and investigate the world of mathematics! In a world filled with patterns, shapes, and numbers - math is all around us. From an early age, children begin to notice and make connections between math concepts and everyday life, asking: How many? How high? How long? Children's books can bring math concepts to life. With the help of the stories and activities in this volume, you and your child will have a blast reading about, talking about, and exploring the world of math. You can use favourite children's books to investigate patterns and puzzles, learn how to subtract, and make maps. With four chapters that cover a multitude of themes, it's never been easier to deepen your child's understanding of important math and reading concepts at the same time!.
