

Mighty Monty

Filesize: 8.49 MB

Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

(Payton Miller)

MIGHTY MONTY

Candlewick Press,U.S., United States, 2010. Paperback. Book Condition: New. Anik McGrory (illustrator). Reprint. 201 x 137 mm. Language: English . Brand New Book. Now in paperback-- Monty is mighty enough to take karate in a funny, true-to-life sequel with surefire appeal for early chapter-book readers. Monty Gerald Morris may be small and shy, but he s a mighty smart kid and an A+ reader. In an endearing follow-up to Mostly Monty, the quiet first-grader continues to come into his own -- playing the part of a tree in a comically miscued school play, sharing his enthusiasm for ants at an outdoor birthday party, even signing up for karate class despite his asthma. Once again, Johanna Hurwitz finds gentle humor in everyday situations and offers a charming portrayal of a likable character many young readers will relate to.
