By Mia King

Berkley Publishing Group. Paperback / softback. Book Condition: new. BRAND NEW, Sweet Life, Mia King, What if you got away from it all and then it all got away from you? When her husband gets a new job, Marissa Price leaves the island of Manhattan for the island of Hawaii. Paradise seems like the perfect place to find herself, save her marriage, and reconnect with her daughter. But Marissa discovers her new life is less about beaches and beautiful sunsets and more about cows and lava flows. Their new home is a fixer-upper. But what most needs fixing is her marriage, which is the first thing to crumble when her husband announces he wants time apart to find himself. Pulled in opposite directions, Marissa is faced with the most important decision of her life: a choice that will define who she is, what she wants, and where her happiness lies.

Reviews

This book is definitely worth acquiring. I have gone through it and so I am certain that I will likely read it through again in the future. It's been printed in an exceptionally basic way, in fact, it is only after I finished reading this publication that I actually altered my opinion, change the way in my opinion.

Comprehensive guide for publication fanatics. This really is for all who state there had not been a well worth reading through. I discovered this ebook from my dad and I encouraged him to find out.
