*It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

We talked it over in Committee meetings, and we voted by a decided majority to make our Tenth Year Record something a little different from the usual collection of letters. Ordinarily the chief feature of a Class Record is a collection of letters from seven-tenths of the Class, answering questions of general interest concocted by the Secretary. Most of the letters are stilted, formal and unsatisfactory. I doubt very much whether one man in twenty ever reads a Class Record (of the letter sort) from cover to cover. This means that a lot of work has been done and a lot of money spent, all to little purpose. Many letters are made up of mere statistical information (which is just as good if given in tabular form, without padding) and excuses for not writing sooner, and apologies to the Secretary. Then, too, many people dislike to write letters, and some men are very reluctant to write a letter to go into print. When I was getting out our Triennial Record, I received a letter from one of our most enthusiastic members, who flatly refused to send a letter for the book. I quote from his letter, which covers my point exactly: I don t like that idea of yours about a class letter, and the other fellows here are...
