THE HAPPY LAWYER HANDBOOK

DOWNLOAD

Createspace, United States, 2012. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Each year, thousands of men and women make a decision that will ultimately change not only the course but the quality of the rest of their lives: they decide to become lawyers. From the moment that thick congratulatory envelope arrives, accepting and welcoming them to law school, they begin their journey down a road they hope will lead them to a life of worth and personal satisfaction. Unfortunately, for most of them, this road leads only to misery and despair which oftentimes plummets to depths that eventually cause them to leave the practice of law or, more often, remain, resigned to spend their entire professional lives working for people they do not like and on issues for which they have no interest. The Happy Lawyer Handbook is out to change all that, examining the roots of this phenomenon and providing practical advice for law students and young attorneys in how they can avoid this in their legal careers. The Happy Lawyer Handbook provides insight into those practicalities of law practice that are never discussed in the career services office but which will very likely have an overwhelming effect on the entirety of a budding attorney's career. For example, the dangers of being pigeonholed and trapped into practicing in an unsatisfying area of law are discussed as a way of stressing the importance of choosing one's preferred area of practice right out of law school. Once in the workplace, competition among fellow law firm associates and issues relevant to promotion is analyzed in order to provide a better understanding of who gets promoted and why. Intrinsic in this discussion is the importance of job satisfaction right off...
